

**AREA TO SENIOR ENVIRONMENTAL HEALTH &
BUILDING SURVEYOR/CERTIFIER**

**Vacancy No: V14/2930
(Full Time or Part Time)**

This is an exciting opportunity for an Environmental Health & Building Surveyor looking for experience or to make a lifestyle choice. Work as part of the Building & Compliance Branch in this unique World Heritage environment using cutting edge technology.

This position is part of rotation program undertaking assessment of development applications for Class 1 & 10 buildings, building certification or regulatory compliance. Initially it is envisaged the position will be located in the development assessment and building certification teams

The successful person will have tertiary qualifications in Environmental Health/Building Surveying or a related discipline together with accreditation at a minimum level of A3 under the Building Professionals Board Accreditation scheme. Consideration however will be given to a person presently holding A4 accreditation who will be eligible for upgrading to level A3 in the near future.

You will be technically proficient, have a positive outlook, committed to providing excellent customer service and be able to demonstrate highly developed communication, interpersonal, negotiation and report writing skills.

The position is full time however Council will consider part time or reduced hours for an appropriate candidate.

Excellent progression opportunities are available dependent upon experience and qualification development. Training / educational assistance is supported and Council actively encourages and supports flexible working arrangements. Relocation support is available for interstate applicants. Leaseback vehicle available for full time candidates.

The successful applicant will be offered a permanent position on a salary scale from \$985.86 to \$1675.22 per week (depending on skills and experience) plus a lease back vehicle (full time position).
