

## Position Vacant MANAGER ENGINEERING SERVICES

West Wyalong is centrally located on the junction of the Newell and Mid Western Highways and within a 160 kilometre radius of Wagga Wagga, Griffith, Forbes, Parkes and Cowra and within 300 kilometres of Canberra – providing an authentic rural lifestyle with the conveniences of the city well within reach. Bland Shire Council provides and maintains assets, from the essential infrastructure of roads, paths, kerb and gutter, wastewater and waste management, to the parks, playgrounds, community buildings and amenities that enhance the quality of life for our residents and visitors.

Bland Shire Council has been working with NSW Government to have a zero based bottom line and stay as an independent Council. Council is looking for a capable and self motivated person for the role of Manager Engineering Services to manage the engineering functions of Council with an emphasis on creating and sustaining a culture of continual improvement, innovation and efficiency. You will lead and develop Council's engineering operations to provide quality and cost effective services in the areas of road construction and maintenance.

The remuneration for this position is \$110,000 + depending on experience. This includes the accommodation and civil liability allowances. Vehicle with full private usage is available.

To be successful in this position, you will possess the following skills and/or experience:

- A relevant Degree or Diploma in Engineering, allowing membership to the Engineering Institution of Australia or Institution of Public Works Engineering Australia or similar body.
- Class 'C' Drivers Licence
- Extensive experience in civil engineering administration works, particularly civil infrastructure, construction, design, contracting and tendering practices.
- Experience in a local government environment would be advantageous with knowledge of local government legislations, standards and regulations.
